* IMPORTANT SUBSCRIPTION, PRICING AND OFFER DETAILS:

- Your subscription begins when your purchase is completed (or otherwise, when your payment is received). You must download and install on each device or complete enrollment to get protection.
- By subscribing, you are purchasing a recurring subscription which will automatically renew after the first term.
- The price quoted today is valid for the first term of your subscription. After that, your subscription will be billed at the applicable monthly or annual renewal price here. The price is subject to change, but we will always send you a notification email in advance.
- You can cancel your subscription at my.norton.com or by contacting Member Services & Support. For more details, please visit the Return Policy.
- Your subscription may include product, service and/or protection updates and features that may be added, modified or removed subject to the acceptance of the License and Services Agreement.
- The number of supported devices allowed under your plan are for personal or household use only. Not for commercial use. If you have issues adding a device, please contact Member Services & Support.

[2] Virus Protection Promise: To be eligible, you must have a qualifying subscription with automatic renewal. If a Norton expert is unable to remove the virus from your device, then you may receive a refund based on the actual price paid for the current term of your qualifying subscription. If you have a bundle or qualifying subscription from Norton, AVG.com purchased with either another offering from Norton, AVG.com, or a third party offering, your refund will be limited to the manufacturer's suggested retail Price of only your qualifying subscription for the current term, not to exceed the total bundled price paid. Any refund will be net of any discounts or refunds received and less any shipping, handling and applicable taxes, except in certain states and countries where shipping, handling and taxes are refundable. The refund does not apply to any damages incurred as a result of viruses. See norton.com/guarantee for complete details.
